ECONOMICS & COMPETITION
(TEC) INSTITUTE SUMMIT**

October 23, 2024

The George Washington University

Jack Morton Auditorium

805 21st Street NW, Washington DC 20052

Agenda

8:15-8:45 AM **Registration and Breakfast**

8:45-9:00 AM **Welcome Remarks**

Kirti Gupta
Vice President, Cornerstone
Research

Aurelien Portuese
Research Professor, The George
Washington University

9:00-9:30 AM

Keynote Address

Disruptive Technologies: Examining the Challenges and Opportunities of AI and Beyond

General Paul M. Nakasone, USA (Ret.)
Former Commander, U.S. Cyber Command; Former Director, National
Security Agency; Board of Directors, OpenAI

9:30-10:45 AM

Balancing Innovation and Regulation in Artificial Intelligence

AI technology is evolving quickly, as are the laws that strive to govern it. Over 60 nations have proposed new AI laws and regulations. Panelists will cover the state of global AI regulation, the economics of AI models, legal challenges, and how the industry is innovating while managing privacy, intellectual property, and security risks.

Aurelien Portuese, moderator
Research Professor and Founding Director of the GW Competition &
Innovation Lab, The George Washington University

Adam Di Vincenzo
Partner, Milbank

Amba Kak
Co-Executive Director, AI Now Institute

Katrina Mulligan
National Security Lead, OpenAI

Justin Raphael
Partner, Munger, Tolles & Olson

Arun Sundararajan
Harold Price Professor of Entrepreneurship, Stern School of Business,
New York University

10:45-11:00 AM **Break**

11:00-12:15 PM **Digital Ecosystems: Natural Evolution or Monopolies?**

Digital commerce is increasingly characterized by interconnected platforms that span different industries. Speakers will examine market forces driving this trend, regulation and litigation-related digital ecosystems, and how they are evolving on both sides of the Atlantic.

Bryan Ricchetti, moderator
Senior Vice President, Cornerstone Research

John Asker
Armen A. Alchian Chair in Economic Theory and Professor of Economics, UCLA

Eric Dunn
Assistant Chief, Competition Policy and Advocacy Section, Antitrust Division, U.S. Department of Justice

Katie Larkin-Wong
Director, Competition and Litigation, DoorDash

Noah Joshua Phillips
Partner, Cravath, Swaine & Moore LLP

12:15-1:30 PM **Lunch**

1:30-2:45 PM **The Growing Intersection Between Antitrust and National Security**

Rising geopolitical tensions have created significant national security challenges that have converged with competition concerns, particularly in critical technologies like AI and semiconductors. Panelists will examine the U.S.'s strategic policies to support its economic security and how they intersect with global antitrust issues.

Kirti Gupta, moderator
Vice President and Chief Economist of Global Technology
Cornerstone Research

David Emanuelson
Partner, Arnold & Porter

Sarretta McDonough

Global Antitrust Counsel and Associate General Counsel, Antitrust and Commercial Litigation, Intel Corporation

Sreenivas Ramaswamy

Senior Advisor, CHIPS Program

William Reinsch

Scholl Chair and Senior Adviser, Center for Strategic and International Studies

2:45-3:00 PM

Break

2:45-3:00 PM

Data Flows and Privacy: Old Issues with New Tech?

As consumers embrace innovative technologies and are increasingly interconnected at a global level, data flows are expanding at unfathomable speed. Panelists will explore legal challenges to data use policies, trade-offs with emerging privacy-enhancing tools, and the economic impact of the current patchwork of data regulations.

Aram Gavoov, moderator

Associate Dean for Academic Affairs and Professorial Lecturer, The George Washington University Law School

Ed Britan

Senior Vice President, Global Privacy and Marketing Legal, Salesforce

Lorin Hitt

Zhang Jindong Professor of Operations, Information and Decisions, The Wharton School, University of Pennsylvania

Kamay Lafalaise

Privacy and Data Security Attorney, Federal Trade Commission

Molly Leshner

Head, Digital Connectivity, Economics, and Society Division, Organisation for Economic Co-operation and Development (OECD)

Katie Race Brin

Chief Data Privacy Officer, The World Bank

4:15-4:30 PM

Closing Remarks

4:30-5:30 PM

Cocktail Reception
