Innovation Lab

THE MILBANK-GW SALON

Trump 2.0: Antitrust and CFIUS

Join us for a conference cohosted by Milbank LLP and the GW Competition & Innovation Lab, to explore key issues in merger control, competition policy, and CFIUS in the new administration with in-house counsel, government enforcers, and other leading experts. To encourage discussion, Chatham House rules will apply.

The George Washington University

State Room, 7th Floor
